Mind-Reading Glasses

Read peoples
mind

A lollipop is mounted on a plain wooden stick. A single red feather is attached to the left side of the stick. A large, vibrant blue feather is attached to the right side. A small, circular halo made of shiny pink tinsel is wrapped around the stick, with two small stars, one yellow and one dark blue, attached to the top edge.

A Lollipop That
Reads Your Feelings

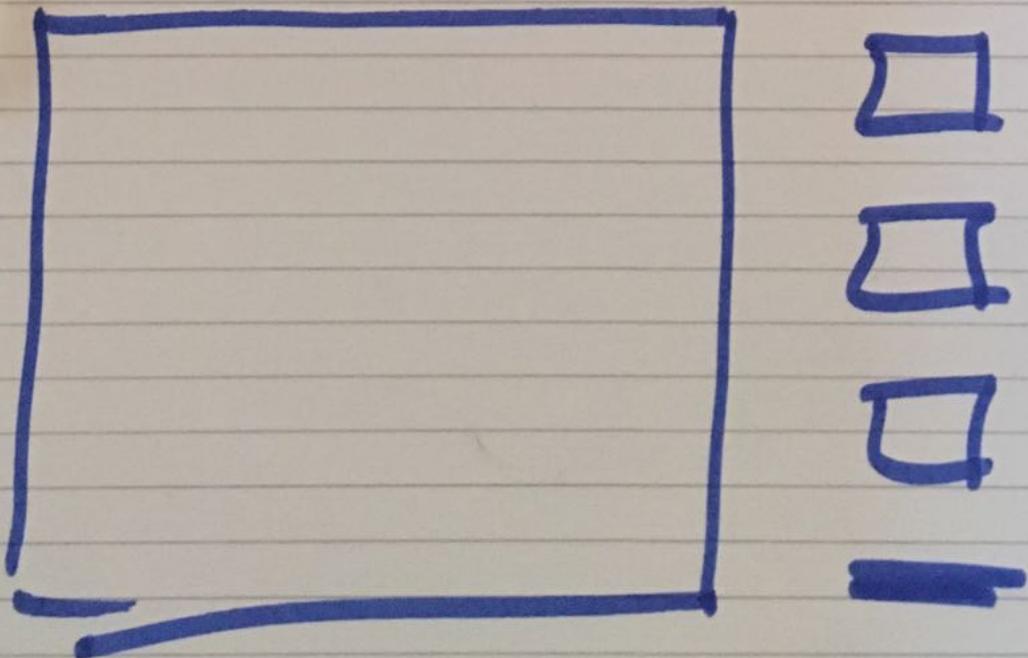

Water Diviner

TO FIND WATER.
